Let's put it this way, nti Katonda akozesa technology atanaba kutuuka kungsi kuno. Jjukira nti ne fighter-migs oba helicopters zaali tezinatuuka kungsi kuno, ye Katonda yali azirina ewuwe, kyokka nga tazikozesa.

Revelation 9:3-4,7,9 says: ...locusts came down upon the earth and were given power like that of scorpions of the earth. 4They were told not to harm the grass of the earth or any plant or tree, but only those people who did not have the seal of God on their foreheads. ...And the agony they suffered was like that of the sting of a scorpion when it strikes a man. 7The locusts looked like horses prepared for battle. 9They had breastplates like breastplates of iron, and the sound of their wings was like the thundering of many horses and chariots rushing into battle.

Ndwooza wano olaba ekifananyi kya fighter-helicopters...

Correction:

God does indeed use his technology (if he so chooses) to fight wars of justice. The LORD is a warrior; the LORD is his name. (Exodus 15:3)

The LORD will march out like a mighty man, like a warrior he will stir up his zeal; with a shout he will raise the battle cry and will triumph over his enemies. (Isaiah 42:13)

(The Rider on the White Horse) I saw heaven standing open and there before me was a white horse, whose rider is called Faithful and True. With justice he judges and makes war. (Revelation 19:11)
